

St. Raymond de Peñafort Parish Electronic Giving Options

St. Raymond Parish is pleased to offer two options for electronic giving. The first option is direct debit of your bank account initiated through the parish bank. These payments are set up, managed and initiated by the parish business office. The debits are processed on the 1st or the 15th of each month and there are no fees to process these payments. The second option is credit card or direct debit payments through Give Central. Give Central is a simple secure online giving environment created specifically for parishes within the Archdiocese of Chicago. *There are fees charged to the parish to process these payments.* Weekly, monthly and annual payment schedules are available through Give Central. Parishioners can set up and manage their own accounts by going to GiveCentral.org or it can be set up and managed by the business office.
