

ST. RAYMOND DE PEÑAFORT

LIVESTREAMING/VIDEOGRAPHY AVAILABLE FOR YOUR BAPTISM

Hi, my name is Brandi Sulak. I am the Communication Coordinator here at St. Raymond. I have been producing all the live stream parish liturgies and other events since March 2020, including weddings and funerals. I've always dabbled in video editing and the digital world, so it's all been a natural fit.

There are so many details in your child's baptism that you don't want to miss one element. The video will tell that story over and over. Catching those memories is the best part of working with stationary cameras in a church. St. Raymond has installed 2 superior cameras in 2020. One is mounted in the rear of the church to get the best view of the Altar close up and a grand view of the entire church. A second camera closer to the Altar showcases the family, a side view of the movements happening during Mass and a view of your guests. Live streaming allows everyone in the church to interact with the online viewers too, but you don't have to live stream; that is up to you.

A private link that will be given ahead of time for you to share with your family and friends. No app downloading is required. The ceremony will be active for 14 days with that link. Once the ceremony has concluded, it will be uploaded to a Google drive, shared with you to download and share as you like for 30 days. Additionally, St. Raymond Parish office will have a keepsake flash drive for you the next day for pick up.

Full hour Mass Videographer fee \$150 | written to Brandi Sulak

Church Equipment fee \$50 | written to St. Raymond Parish
