ORANGE RULER FUN RUN FUNDRAISER

Orange Ruler

is HERE!

The 2021 Fun Run fundraiser, sponsored by Family School Association and the Athletic Association, has begun! This important program will help us raise much needed funds to purchase new iPads. About 100-150 devices will no longer operate our iReady student monitoring and measuring assessments. These new devices will allow us to update technology for student math & reading differentiation in the classrooms, continue student iPad use during centers, and provide junior high with technology tools for projects. Also, through this fundraiser, we will be able to continue providing strong and rigorous academics by monitoring and measuring student progress.

Classroom contests and lunchtime events have already fueled the friendly competition! The students can't wait to participate in the pig race outside and the **Fun Run on Friday, September 17.**
