Notre Dame Mission Volunteers (NDMV) is 501(c)(3) non-profit that supports education in local schools and communities across the globe. We believe that education is the central tool in the struggle for human dignity, self-esteem, and willpower.

In 1991 the Sisters of Notre Dame de Namur founded this program with 6 volunteers supporting a school in Boston. After becoming an early participant in the AmeriCorps program we have grown and now support 500 AmeriCorps members serving in more than 150 organizations across the United States.

NDMV has hosted international volunteers to serve alongside the Sisters of Notre Dame in Kenya, Peru, Haiti, and Brazil. We are also proud partners of the Boulangerie Notre Dame, a bakery and job skills training center in Les Cayes, Haiti.
