AN ANNIVERSARY OPPORTUNITY

Dear Sisters and Brothers in Christ:

"Where's the tabernacle?" This is a question that is often asked by visitors to St. Raymond.

In all pre-Vatican II churches, the tabernacle was located in the center behind the altar. The priest faced the tabernacle, with his back to the people, as he celebrated Mass. After the Second Vatican Council, there was a renewed desire to focus attention on the presence of Jesus in all the dimensions of the Mass. The priest then faced the people as a more visible part of the gathered community. The tabernacle was often moved, so that the Eucharist was not visible from the very beginning of Mass, and the gradual revelation of Christ could be better appreciated - "first in the faithful gathered in his name, then in his Word as the Scriptures are read and explained, and finally in a unique way in the Eucharist." (*Instruction on the Worship of the Eucharistic Mystery* 55)

As the insights of the Council were applied, the general recommendation for parish practice stated that: "As a rule, each church should have only one tabernacle, and this tabernacle must be safe and inviolable...The Blessed Sacrament should be reserved in a solid, inviolable tabernacle in the middle of the main altar or on a side altar, but in a truly prominent place. Alternatively, according to legitimate customs and in individual cases to be decided by the local bishop, it may be placed in some other part of the church which is really worthy and properly equipped." (*Instruction on the Worship of the Eucharistic Mystery* 52, 54).

The recommendations led to different designs in different churches. There was a desire to balance focus on the Eucharist in the church with opportunity for adoration of the Blessed Sacrament. In Holy Name Cathedral in our own archdiocese, the tabernacle is located in a dedicated space to the side of the altar. At the same time, permission was given for some parish churches to be designed like St. Raymond, in which the tabernacle was placed in a side chapel, instead of in the church.

As we move into the 21st century, we face the unique challenge of sharing the gospel with people who have had little contact with the Christian faith, and with Catholics who have become distanced from the teachings of the faith. A Pew Research Center poll in 2019 found that only 31% of Catholics clearly understand and believe in the actual presence of Jesus in the Eucharist. The visibility of the tabernacle in the church is increasingly important as the presence of Jesus in the Eucharist is less understood.

As we seek to evangelize and to attract people to our community, we see the importance of reminding both Catholics, as well as people exploring Christianity and Catholicism for the first time, that the Lord is constantly present with us in the sacrament of the Eucharist. We are called to be missionary disciples of Christ, and this journey will require strength and understanding that can only be found in the presence of Jesus in the Eucharist. It is the

...Continued

presence of the power of Jesus in the Eucharist that makes us into the Body of Christ in the world. If that is not central to our spirituality, we cannot fulfill our mission. ***Just as the living Father sent me and I have life because of the Father, so also those who feed on me will have life because of me.*** (John 6:57)

In honor of the 60th anniversary of the laying of the cornerstone of St. Raymond Church in 1961, I would like to offer the community an opportunity to give the tabernacle a more prominent place in our worship space. I would like to invite the St. Raymond community to support a project of relocating the tabernacle from the prayer chapel to the church. This relocation project will also entail some remodeling of the chapel. The chapel will continue to serve as the prayer and adoration chapel. We will enhance the dedicated chapel space to add a focus for the monstrance used in Adoration, while keeping the chapel a peaceful oasis of prayer.

This project will be made possible solely by contributions given for this specific purpose. So it is really up to the people of St. Raymond to make it possible for us to go forward with this project. I would like to set a goal of raising \$200,000. This will enable us to complete the project at a high level of quality that will enhance our worship space. Should any donated funds remain following completion of the project, they will go to the account designated for the future maintenance and improvement of the St. Raymond campus.

I invite you to prayerfully consider participating in this project. It is important to note that this is an invitation to give above and beyond regular giving to the parish. Please do not divert funds from your regular giving to this project. Please make donations by check payable to ST. RAYMOND with TABERNACLE PROJECT noted in the Memo line. The QR code below will go straight to the Give Central Tabernacle Project.

Peace Be With You,

Fr. Scott Hebden, Pastor

Petting Zoo Comes to SRS

SRS wanted to bring a field trip experience to our kindergartners, so instead of the students going the zoo, we brought the zoo to them! They enjoyed meeting the animals, petting them and learning facts from the zookeeper. The kindergartners felt very special knowing they got to meet the cow that Ms. Ward kissed for our fundraiser incentive. After visiting the petting zoo, the kindergartners wrote about their experiences. The students picked their favorite animal from the petting zoo and drew a picture of themselves petting it. Afterwards, they voted on their favorite animal and compared the results. The bunny was the most popular animal!

*I loved all the animals!
They were really soft!

CAPITAL CAMPAIGN

The removal of the old air handling units for the church HVAC system started October 12th. The air handlers are the originals from 60 years ago. They are being totally replaced along with an upgrade to the church boiler. This project will allow for heat and air to work with a thermostat vs a season. This upgrade will really be appreciated on those heat-wave winter days. This project will take 3 weeks.

Ministry for Our Homebound Parishioners

Are you aware that any parishioner who is recuperating following an accident, illness, or surgery is welcome to receive the Eucharist at home? If you or a loved one is homebound and would like a visit from a Minister of Care, please contact Sr. Val at 847-253-8600 x 143 or email Sr.Val@St-Raymond.org to make arrangements.

We are happy to bring St. Raymond to you!

Patients at Northwest Community Hospital

In late October we received word from the Spiritual Care Services Department at Northwest Community Hospital that they will no longer send the daily patient census to the Ministry of Care Coordinators at the parishes and other churches. Up to this time, Sr. Val received a confidential listing of St. Raymond parishioners at NCH, enabling us to offer the pastoral care that we want to provide for our parishioners experiencing illness requiring hospital care. Due to this change in policy, there is no way to know if any of our parishioners are at NCH. Therefore, if a loved one has been hospitalized at NCH, we would deeply appreciate a call or email with this information. This is also true for patients at Lutheran General, Alexian Brothers, and Resurrection Hospitals. Please contact Sr. Val at 847-253-8600 x 143 or Sr.Val@St-Raymond.org when a loved one is hospitalized so that we can continue to provide pastoral care during a time of illness. Thank you.

The Widows Circle Ministry is for widows who are moving forward with their lives. This ministry is not for widows who have recently lost their spouses or need a grief support group.

Lunch meetings are on the last Sunday of the month at 12:30 pm at various neighborhood restaurants. Sometimes the date changes. Sometimes we go to various neighborhood events together.

Thank you.

Alcoholics Anonymous (AA) | Co-Dependents Anonymous (CODA)

Drug, alcohol and gambling addiction is a disease which is chronic, progressive and treatable, but terminal if untreated. Recovery is possible if the person is willing to ask for help and work toward that goal. Families with addicted family members also need help and understanding. Worry, fear and anger destroy both relationships and the family unit. The Substance Abuse Team is available to reach out with support and care.
