Mount Prospect, IL 60056

Dear Friends,

Thank you for your donation to the Elk Grove Township Food Pantry. We are appreciative of your thoughts about those many Township residents that struggle monthly to make ends meet. It is almost impossible for some Township residents to stretch an already limited household budget to purchase food due to the rising cost of utilities, health care and unexpected expenses. Your donation of 2 trunks full of food to the Food Pantry will assist in easing such a burden for families in our community.

We appreciate your thought and the effort you made in making this donation. During 2021 the Elk Grove Township Food Pantry served an average of 377 families per month and in 2020 the average was 326 per month. The result being a 15.7% increase in addition to the 41.7% increase in 2020. You can see how the need for Township residents to access the Food Pantry is still present in our community. The families we are serving are made up of single mothers, senior citizens and traditional families who have fallen on difficult times due to illness, loss of a job or just not enough income to cover monthly living expenses.

We thank you for your support of the Elk Grove Township Food Pantry and hope you keep us in mind when you would like to make additional donations that assist in-need individuals and families. Your support goes a long way in contributing to the Township motto of Empowering People Through Community.

Sincerely,

***George K. Busse***
