

# ST. RAYMOND DE PEÑAFORT

## LIVESTREAMING/RECORDING AVAILABLE FOR YOUR FUNERAL

Hi, my name is Brandi Sulak. I am the Communication Coordinator here at St. Raymond.

St. Raymond installed 2 superior stationary cameras in 2020. One is mounted in the rear of the church to get the best view of the Altar close up and a grand view of the entire church. A second camera closer to the Altar showcases the family, a side view of the movements happening during Mass and a view of your guests. Live streaming allows everyone in the church to interact with the online viewers too, but you don't have to live stream; this can just be recorded for your keepsake.

LIVESTREAMING/RECORDING

A private link is provided below for you to share with your family and friends if live streaming is desired. No app downloading is required. The ceremony will be active for 14 days with that link. Once the ceremony has concluded, it will be uploaded to a Google drive, you can download and share this drive with family and friends. Additionally, St. Raymond Parish Office will have a keepsake flash drive for you the next business day for pick up.

Full hour Mass Videographer fee \$150 | written to Brandi Sulak

Church Equipment fee \$100 | written to St. Raymond Parish

As a part of this service, a program, mass card, and up to 10 photos can be added to the stream/recording. These files can be uploaded to the Google drive mentioned above or email directly to me. The morning of, I will take photos of anything brought into the church to be included in the recording. This includes the program or mass card – if not provided in advance. This will allow all things precious to be in one place forever.

I will send you a clickable .pdf file of the ceremony to share with family and friends to access the live-stream. You can also copy and paste from here, the private link for families to watch: [twitch.tv/strayprivate](https://www.twitch.tv/strayprivate)

Narthex TVs

Outside of live streaming/recording, the parish will provide access to the TVs at no cost, in our Narthex area. If you have a slide show you'd like to share, please upload the .MP4 movie format to YouTube. This needs to be viewable to public/unlisted (cannot be private) and send me the YouTube link. I will have it playing with a slide of your loved one's information. No music will play on these TVs. If you need help with this, please contact me. If you are streaming/ recording, please upload this file to the Google drive as well, and it will be played at the end of the service with your music if provided.

Please contact me with any questions.
