

# ST. RAYMOND DE PEÑAFORT

## LIVESTREAMING/VIDEOGRAPHY AVAILABLE FOR YOUR FUNERAL

Hi, my name is Brandi Sulak. I am the Communication Coordinator here at St. Raymond.

St. Raymond has installed 2 superior stationary cameras in 2020. One is mounted in the rear of the church to get the best view of the Altar close up and a grand view of the entire church. A second camera closer to the Altar showcases the family, a side view of the movements happening during Mass, and a view of your guests. Live streaming allows everyone in the church to interact with the online viewers too, but you don't have to live stream; that is up to you.

A private link is provided below for you to share with your family and friends if live streaming is desired. No app downloading is required. The ceremony will be active for 14 days with that link. Once the ceremony has concluded, it will be uploaded to a Google drive and shared with you to download and share as you like for 30 days. If you desire a flash drive copy, please contact me.

Full hour Mass Videographer fee \$250. This fee is paid through the funeral home unless otherwise noted.

Do you have a slide show created? We can add that at the end of the mass video/live stream. If you have a prayer card or program for the mass, please send an electronic copy to me as soon as you have it ready.

I will send you a clickable .pdf file of the ceremony to share with family and friends to access the live stream. You can also copy and paste from here. Private link for families to watch: [twitch.tv/strayprivate](https://www.twitch.tv/strayprivate)

Narthex TV video

Outside of live streaming/recording, the parish will provide access to the TVs in our Narthex area at no cost. If you have a slide show you'd like to share, please upload the .MP4 movie format to YouTube. This needs to be viewable to public or unlisted (cannot be private) and send me the YouTube link (remove after at your convenience). I will have it playing with a slide of your loved one's information. No music will play on these TVs. If you need help with this, please contact me. If you choose to stream/record, please upload this file to the Google drive as well, and it will be played at the end of the service with your music if provided.

Please contact me with any questions. My cell is below. Call or text anytime.
